

## Exterior Color Scheme Instructions

1	Copy and paste the Color Scheme from the Master Color Matrix.
2	Spanish Color Group 1 is an example of how the color groups should be filled out. Delete the info in Spanish Color Group 1 and fill in the information for the specific community.
4	If an item is not required for the color scheme fill in the item with "N/A".
	Example: If the community does not have Alumawood Patios fill in this section with N/A
5	Communities with interior courtyards will require a Gutter and Gutter Downspout color.
6	If colors are changed or modified a PCR will be sent to Purchasing for processing.
7	Revision Log will be controlled and completed by Purchasing.
8	The document will be saved as "Community Name - Exterior Colors - Date".
9	The document will be saved in the Home Expressions Studio folder, Exterior Color Schemes & Color Blocking
